The London 2 Brighton Challenge will be in its 9th year in 2020! Over 2,500 adventurers of all experience levels and ages will take on this classic route from Capital to Coast, testing their grit and determination - and all aiming to push themselves further. Most will walk, but many will Run or Jog the full 100km - and from the Richmond start it's over the North and South Downs before the welcome Brighton coastline comes into view, with full support and hospitality all the way to the your finish line.

Whether you're a walker and new to endurance events, or even a marathon runner looking to 'up' the distance - you'll get the best support and hospitality through day and night. The Full 100km, with almost 1,500 metres of climb, can be done as a continuous Challenge - or as a 'Daylight 2 Day' option with camping at halfway. There's also Half and Quarter distance options available - so there's a Challenge here for everyone!

Note: At least 50% of the Min Sponsorship target should be with your Charity by 6 weeks prior to the Challenge. The remaining 50% should be with your Charity 4 weeks after the Challenge.

Option 2 Mixed Funding

For those who wish to pay more of the cost themselves, and fundraise a bit less.

An ideal option if you feel you can raise lots of money for your chosen charity.

The remaining 50% fundraising should be with your Charity 4 weeks after the Challenge.

Option 3 Self Funding

You pay full event place cost when you register. No fundraising required, but you can if you wish to!
